

An aerial photograph of a large commercial development in a desert environment. The scene shows several large, light-colored industrial buildings with blue roofs. One building in the foreground has a large open bay door. Adjacent to the buildings are parking lots filled with various vehicles, including cars, trucks, and heavy machinery. A wide, paved road runs through the center of the site, with a car visible on it. The surrounding landscape is arid and brown, with some sparse vegetation. In the background, more industrial structures and a distant horizon are visible under a clear sky.
