Site Description

5205 S County Rd 1239, Midland Tx 79707

Situated in Midland, Texas, this 3.76-acre land opportunity offers a versatile tract positioned along S County Road 1239. The property provides convenient access to Midland's established industrial and energy corridors, making it well suited for buyers seeking land for commercial, industrial, oilfield service, contractor, or future development use. With connectivity to major transportation routes serving Midland and the greater Permian Basin, the site offers an opportunity to establish or expand operations in one of West Texas' most active energy markets.

- 3.76 acres available for sale
- Asking Price: \$270,000
- Approximately \$71,809 per acre
- Frontage along S County Road 1239
- Convenient access to Midland and major Permian Basin transportation corridors

The Permian Basin spans approximately 250 miles wide and 300 miles long across western Texas and southeastern New Mexico. It's the most prolific oil-producing region in the U.S., contributing nearly half of the nation's crude output. The basin comprises three primary sub-regions: the Midland Basin, Delaware Basin, and Central Basin Platform.

Oil production and rig count in the Permian Basin, 2012–2024.

Blue line = oil output (million barrels per day); Red line = active drilling rigs.

Production has hit record highs despite a lower rig count in recent years (source: dallasfed.org)

Location Overview: Permian Basin

Industry Trends

Production Growth: As of early 2025, the Permian Basin's oil production has reached approximately **6.2 million barrels per day (bpd)**, marking a 7.5% increase from the previous year (source: [YCharts](https://ycharts.com))

Rig Count: The number of active drilling rigs in the basin stands at 291, a slight increase from earlier in the year but still down 4% compared to the same period last year (source: [Midland Reporter-Telegram](https://midlandreporter-telegram.com))

Investment Activity: Despite some market volatility, companies like U.S. Energy Development Corporation plan to invest up to \$1 billion in Permian projects throughout 2025, indicating **sustained confidence** in the region's potential (source: [Oil Gas Leads+IPR Newswire+1](https://oilgasleads.com))
